### **Antitrust Policy**

#### **General Policy:**

Logistics Titans (or the “Company”) conducts its business ethically and in compliance with all laws in the countries where Logistics Titans does business, including all state, federal and international antitrust laws such as the U.S. Sherman Act, U.S. Clayton Act, U.S. Federal Trade Commission, as amended, and EU Antitrust Laws. Logistics Titans Representatives MAY NOT directly or indirectly communicate with the “competition” and display any form of unlawful restraints, price-fixing, price discrimination, exclusive dealing arrangements, conspiracy, monopolies, prices, profit margins, and/or discounts in any engagements. Compliance with the law requires obedience both to the letter and spirit of the law.

A basic tenant of Logistics Titans policy is that no employee shall enter into any understanding, agreement, plan or scheme, whether express or implied, formal or informal, oral or written, with any competitor with respect to prices, terms or conditions of sale, output, production, distribution, territories or customers. Logistics Titans absolutely prohibits any consultation with competitors relating to prices or terms and conditions of sale.

For purposes of clarity, some examples of conduct that may be construed as unlawful and contrary to Antitrust laws include, but are not limited to:

- (a) price-fixing with the competition;
- (b) rigging bids with the competition;
- (c) conspiring with the competition;
- (d) destruction of documents in an effort to achieve or hide any of the foregoing motives; and
- (e) price discrimination.

ANY INFRACTION OF THE COMPANY’S ANTITRUST POLICY OR THE ANTITRUST LAWS WILL SUBJECT ANY EMPLOYEE TO LEGAL PENALTIES AS WELL AS CORPORATE DISCIPLINE, UP TO AND INCLUDING DISMISSAL FROM EMPLOYMENT.
